

## Ozaukee Washington Land Trust

Working Together to Preserve  
Land and Water for Future Generations

### Mission

To protect and preserve the natural areas, open spaces, and rural character of Ozaukee and Washington Counties.

### Goals

- Protect and preserve 5,000 acres by the end of Year 2010.
- Establish a modern "land ethic" to guide growth, preservation, and development in Ozaukee and Washington Counties.

### Accomplishments

#### Land Protection

- Protected over 4,800 acres

#### Land Restoration & Stewardship

- Restored natural habitat and provided stewardship on over 1,200 acres.
- Planted over 80,000 trees and restored over 60 acres of wetlands in past five years.

#### Public Recreation & Education

- Over 1,200 acres currently available for nature-based recreation.
